Select Method

*Credit card payments are handled through PayPath®, a tuition payment service.

Electronic Check - Electronic check payments require a bank routing number and account number, or savings account. You cannot use corporate checks, i.e. credit cards, home equity, traveler’s checks, etc.
7. The Payment Plan Agreement is displayed showing the UGA Tuition Payment Plan details. If you agree to the terms, you must scroll to the end of the agreement and select the box next to I Agree. Click Continue.
8. For users who have chosen to use ACH as their payment method for the payment plan, the ACH Payment Agreement screen authorizes UGA to automatically draft/charge the down payment and/or enrollment fee, as well as the two installments from the account listed. If you agree, select the box next to I agree to the above terms and conditions. Click Continue. If you do not wish to enroll in the payment plan at this time, click Cancel.
9. If you enroll, the next screen will show you your Payment Receipt which should be printed for your records. You will also receive an e-mail confirming your enrollment and the due dates for your installments.

- If your installment amounts increase or decrease, a follow up email will be sent to indicate that the plan has been adjusted and it will reflect the new amounts. If the adjusted amount deferred now exceeds the 50% amount you are eligible to defer, you will be dropped from the plan and asked to reenroll so that you can pay additional amounts towards the down payment considered due at the time of the enrollment. If you are asked to reenroll, you will not be required to again pay the payment plan setup fee of $75.00.
