

Estimated Tuition and Fee Calculator in Athena

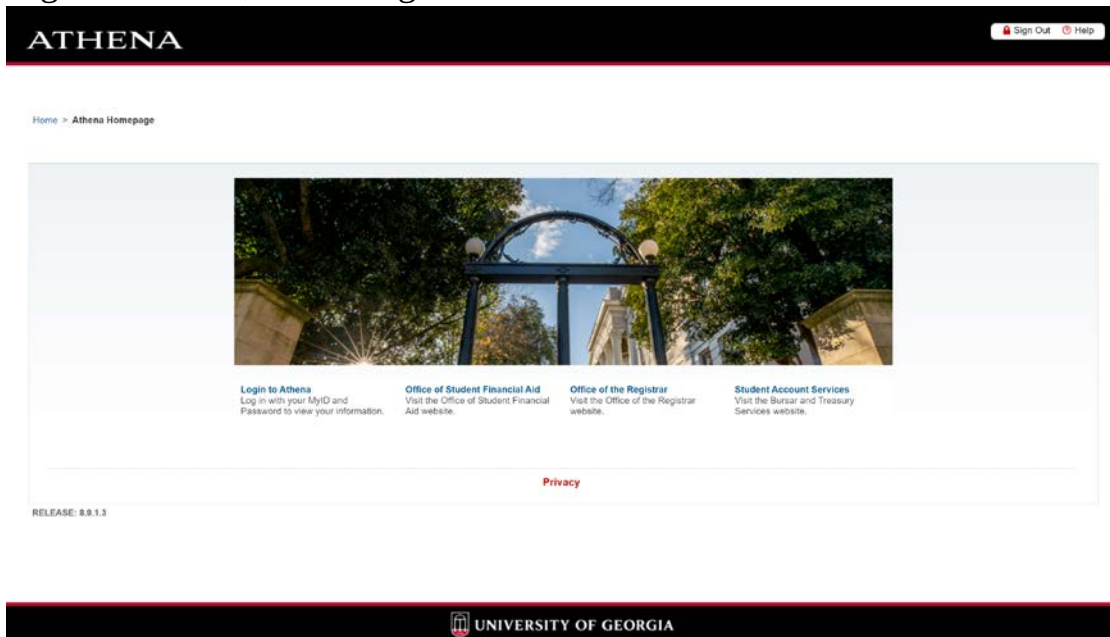

The estimated tuition and fee calculator in ATHENA is a tool to provide students access to their tuition and fee costs based on their current enrollment for the term specified.

Please note:

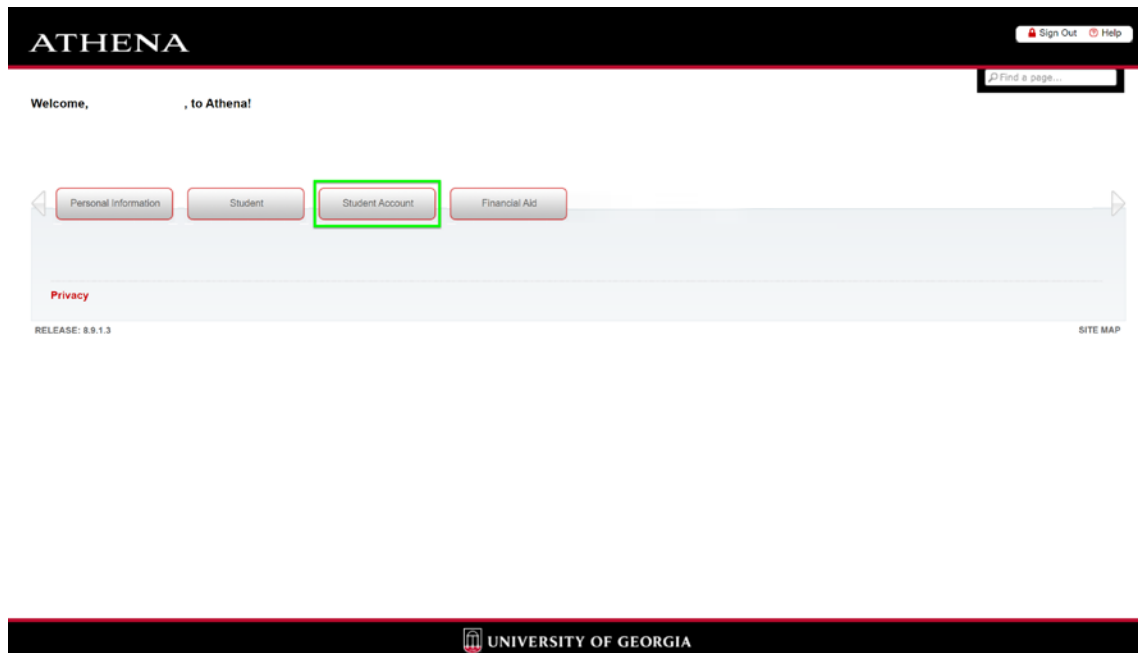

- This process is only available for active registration terms PRIOR to official fee assessment.
- The amounts provided reflect ESTIMATES ONLY and may not reflect your final costs.

Students may follow the following steps to access the estimated tuition and fee calculator.

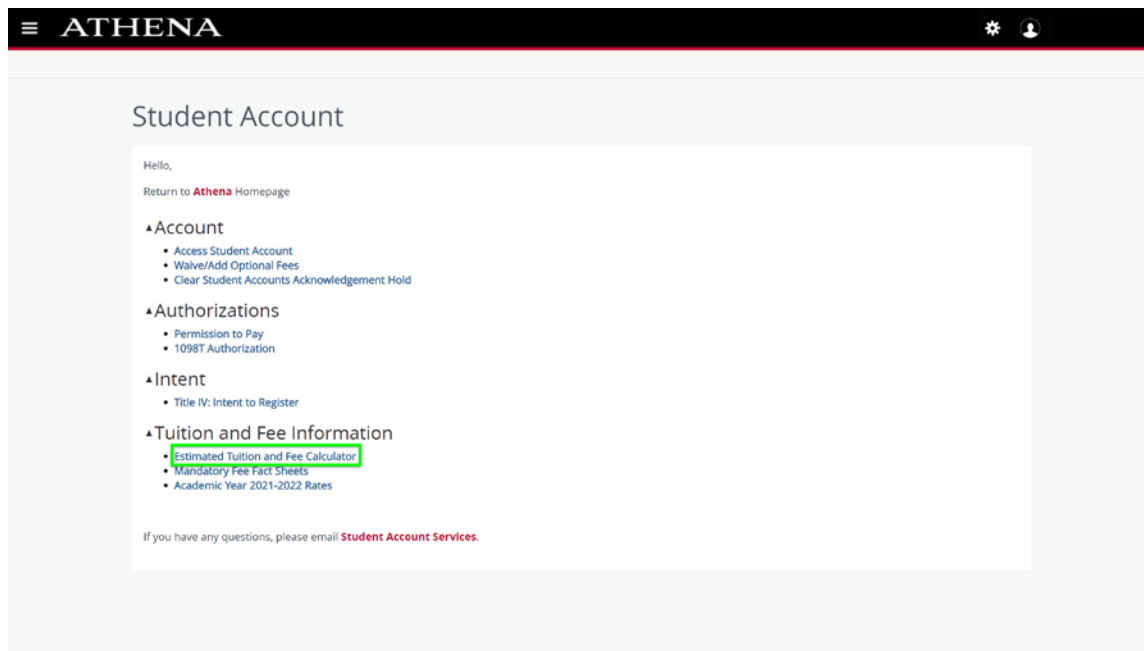

1. Log into Athena, Athena.uga.edu

2. Select Student Account

3. Select Estimated Tuition and Fee Calculator

4. Select the upcoming/current term and click submit
