# UNIVERSITY OF GEORGIA. CAMPAIGN for Charities 2021

This is a special time of the year—the time when the University of Georgia community comes together to offer a higher level of service and support for friends and neighbors, colleagues, and others who are in need.

Marisa Anne Pagnattaro  
Campaign for Charities  
Honorary Chair  
2020 – 2021

Dear faculty and staff colleagues,

The 2020 – 2021 UGA Campaign for Charities continues an annual tradition through which University of Georgia faculty and staff support organizations that make a difference across the state and beyond.

This year's theme is "Compassion in Difficult Times," and it reflects the urgent challenges facing many individuals and communities. By participating in this annual campaign, you are helping to support our community, fight disease, and protect the environment, among many other vital endeavors.

Last year, the UGA community contributed more than \$350,000 through Campaign for Charities.

To the extent that you can, please help create a better tomorrow by making a contribution.

I encourage you to review the list of organizations on these pages and to support one or more whose charitable work aligns with your values. Each gift makes a difference, and I thank you in advance for your compassion during these difficult times.

Sincerely,

Marisa Anne Pagnattaro  
Vice Provost for Academic Affairs
