Athena Student Account Refund Profile Setup

What is a Refund Profile?

UGA allows for online viewing and refunding of a student’s account for payments and Financial Aid through Touchnet’s Student Bill + Payment application. This also allows for refunding directly to the bank account of the student’s choice. **Only one (1) account can be set up as the Refund account.**

How do I set up a Refund Profile?

Refunds that you receive can be direct deposited into the bank account of your choice. Use the following steps to guide you in setting up a refund profile. The account can also be used for payment of fees.

1. Log into Athena, Athena.ua.edu, to access your student account.
2. Select Student Account

3. Select Access Student Account
4. Enter your MyID and password again.

5. On the homepage of your student account, select **Electronic Refunds** under My Profile Setup or **Refunds** on the main bar.
6. On the Refunds page, click the **Set up Account** green button to add a bank account for direct deposit. The Refunds page will display the account that has been set up for Direct Deposit in the section labeled Direct Deposit Bank Account. As shown below, no account has been set up.

7. After selecting Set up Account, the Set Up Refund Account box will appear. Select your account type, enter your bank routing number, checking account number and name on the account. In the Save payment method as field, enter a name specific to the account being used. Examples: My Checking or Mom’s Checking

   a. This saved method can also be selected the next time you wish to make a payment.
8. Review the agreement and select the box next to **I Agree** to authorize the depositing of funds into the account. Click continue to finalize the process.
