

ATHLETIC FEE FACT SHEET

Purpose of the fee:

- This fee subsidizes the cost of a ticket to sporting events for students, as well as supports the maintenance and upkeep of facilities that are regularly available to all students either participating as individuals or in University activities.

Fee amount and annual budget:

- Academic Year 2018 – 2019 - \$53 per semester
 - o Academic Year 2018 – 2019 Budget - \$3.2 million

How the fee revenue is used to support students:

- The Athletic Fee revenue is provided to Athletics to augment the cost of ticketed events such as football, men’s and women’s basketball, gymnastics, and baseball games. The student fee revenue also is utilized to augment support costs for facilities available to students for their use including Spec Towns Track and Stegeman Coliseum.

Annual fee review and approval:

- The fee is approved annually by members of the Mandatory Student Fee Committee. This committee consists of 4 UGA administrators and 4 UGA students. The students are appointed on behalf of the Student Government Association and the Graduate Student Association, and include undergraduate and graduate representation. The committee reviews the annual fee recommendation and associated budget and makes recommendations to the President of UGA, who ultimately recommends the fee to the Board of Regents.
- Once approved by the Board, the fee is implemented for the associated academic year.
