Common Types of Purchases – Contract Purchases

• Statewide Contracts
  • Usually set up by the Georgia Department of Administrative Services (DOAS), State Purchasing Division (SPD)
  • “Mandatory” vs. “Convenience”

• Agency Contracts
  • Also known as “State Entity Contracts”
  • Set up by UGA via a competitive process or other purchasing method

• Consortia/Cooperative Contract Purchases
  • Less common than contract purchases or open-market purchases
  • Use of these types of contracts is regulated by State Purchasing Division
Common Types of Purchases – Open Market Purchases

- Current State of Georgia Bid Threshold is $25,000
- Competitive Purchases under $25,000
  - Departments are encouraged to seek quotes/competition
  - Optional informal or formal bidding
- Competitive Solicitations $25,000 and greater
  - Request for Quotes (RFQs) are the most common solicitation
  - Request for Proposals (RFPs)
Common Types of Purchases – Competitive Solicitations & Bids

• UGA utilizes JAGGER Sourcing Director to post and manage most public solicitations (Requests for Quote and Requests for Proposals)
  • State Purchasing Division manages this solicitation system.
  • Vendors will need to register to submit a bid/quote, but do not need to be registered to view active solicitations. (Registration links at the end of this presentation)

• Notice of postings are also posted to the Georgia Procurement Registry (GPR)
  • Vendors need to register to be notified of bid opportunities
  • Registered vendors will be notified of UGA and other State Entities postings based on an NIGP code, a commodity code that categorizes the item/service being procured

• Registration links are available the end of this presentation
Purchasing Methods

• Purchase Order
  • The most typical document sent from Procurement
  • PO number will begin with an “E” (i.e. “E123456”)
  • Once items/services are delivered and received, invoice can be sent to Accounts Payable (actpay@uga.edu) listing the applicable PO number on the invoice
  • UGA prefers payment terms of Net 30 days, to give ample time for the receiving of an item and any further payment approvals

• Alternative Methods
  • Some departments have access to a Purchasing Card (P–Card) which can be used for some low-dollar purchases
  • For some types of purchases, departments may purchase services or supplies without needing a Purchase Order via a Payment Request process that typically has a limit of up to $2,500 and only requires an invoice from the business

UNIVERSITY OF GEORGIA

Doing Business with the University of Georgia

Business Development
The UGA Procurement Office provides assistance to small, minority, women-owned, and veteran-owned small businesses seeking UGA contracts.

The SSPS recruits these businesses through expos, networking events, individual counseling, and workshops.

The SSPS is a resource to the small business community, UGA departments, and to any local, state or federal small business development agency seeking information on UGA contracts and bid opportunities.
The State of Georgia defines a small business as one which is independently owned and operated and must have either fewer than 300 employees or less than $30 million in gross receipts per year.

The small business may be a sole proprietorship, corporation or any other legal form.

For all categories under small business, such as minority, small disadvantaged, woman-owned and veteran-owned, at least 51 percent of the business must be owned and controlled by an individual or a group of that particular category.
Small Businesses

• Subsections of the Small Business Classification include:
  • Small Disadvantaged Business (SDB)
  • Women-Owned Small Business (WOSB)
  • Veteran-Owned Small Business (VOSB)
  • Service-Disabled Veteran-Owned Small Business (SDVOSB)
  • Historically Underutilized Business Zone (HUBZone)
  • Alaska Native Corporations and Indian Tribes (ANCs) (Not certified as a SDB and may be a large business)
Specific Federal Research Subcontracting awards are available to small businesses for:

- Professional Consultants
